### **Asylum Patrick Mcgrath**

Patrick McGrath, having fashioned his own unique literary design, has been a marvelous discovery for me, with this work “Asylum” being my initial undertaking. Breaking from his acclaimed “Gothic-Mystery” composition pattern, he has nevertheless provided us with a somber and deeply reflective work that explores the inner workings of the human psyche not quite chronicled in a literary context before.

In this he delivers, and indeed some elements of the book are so familiar - the art world from Port Mungo (2004), psychiatrists from Asylum (1996) and the story 'Ground Zero' from Ghost Town (2005) - that on a reading of the blurb it might seem that

McGrath is simply going through his hoops; or at least mopping up unused research. Also there is an inherent danger in having a trademark style where there is, if not a twist or revelation near the end, then a reversal in understanding by ...
