Warble This book was originally developed by Juniper Networks Inc. in conjunction with Sybex Inc. It is being offered in electronic format because the original book (ISBN: 0-7821-4071-8) is now out of print.

JNCIA Juniper Networks Certified Internet Associate

I've also considered getting the JNCIA and then going for the CCNA (JNCIA seems to be able to be set for a lot cheaper). Or attempting to get the JNCIA after CCNA. I'm wanting to move into networking from support and my understanding is Juniper is used more often in a service provider environment, whereas Cisco dominates the enterprise market.
