Volvo said it was the dealer's problem because they do not have a customer support group and farmed that out to the dealers directly. Thus, unlike Cat/Cummins/Yanmar and every other mfg I can think of, Volvo does not directly stand behind their products when there is a conflict of interest with the dealer and have absolutely no problem letting ...

Volvo Penta designers protect their engines by covering sensitive parts with at least three layers of protective paint. Then, other corrosion-fighting substances, including titanium ceramic coatings, cover the paint itself, forming a lasting and comprehensive shield against insidious marine corrosion.
