"Buy" them like any other Google Book, except that you are buying them for no money. Note: Amazon often has the same promotions running for free eBooks, so if you prefer Kindle, search Amazon and check. If they're on sale in both the Amazon and Google Play bookstores, you could also download them both.

Whats Happening To My Body

The What's Happening to My Body book contained "more anatomically correct drawings." It also has a section about being uncircumcized and how to take care of your foreskin. The Boy's Body Book is "fine," but "it doesn't really talk about sex and genital changes." It doesn't go into as much detail as the other two books.
